Apartment Cannes

Exceptional New Construction Project in the Heart of Cannes, 15 Minutes from the Croisette! This new residential project in the heart of Cannes has the perfect location in a quiet street near the Novotel, on Rue Carnot. Here, you will find the perfect balance between tranquility and city life. The train station is only a five-minute walk away, which is very convenient if you land in Nice and arrive by train from the nearby Saint-Augustin station. The sale of these attractive homes has just begun, so it's wise to act quickly if you are interested! Some of the best deals, in our opinion, include a spacious one-bedroom apartment of 55 m² on the second floor with two terraces totaling 24 m², priced at €380,000, and a beautiful two-bedroom apartment of 91 m² with three terraces priced at €685,000. The apartment showed here is a beautiful three-bedroom unit located on the first floor. Its lovely living area extends to a spacious terrace of over 32m². All the bedrooms open onto charming outdoor spaces. The generously sized master suite includes a bathroom and a walk-in closet. The building consists of 12 apartments, including a penthouse with large open terraces and sunshine all day. It costs €1,950,000, which we think is a bit pricey, even though it has a total of five terraces totaling 142
