House Antibes

This beautiful house is located 10 minutes walk from Place de Gaulle in the heart of Antibes. It has been completely restored recently. Originally, this property was an 18th century country house with lots of character, which has been preserved. The volumes and surfaces are significant: 270 m² of living space, including a very beautiful independent annex of 40 m² with high-quality features, which is now a two-room apartment. Wonderful panoramic sea view.
